Work Experience

Social Media Marketing Intern — Jul 2026 – Oct 2026
Exzellent, Germany (Remote)

- Created and managed content for LinkedIn, Instagram, X, and TikTok to support brand messaging.
- Tracked social media engagement metrics and supported digital campaign and content planning.
- Collaborated with the remote marketing team on brand communication and mission-driven content.

Digital Marketing Analyst — Dec 2023 – Jan 2026
SPR Systems, India

- Researched markets and competitors; summarised findings to support marketing campaign decisions.
- Prepared KPI reports in Excel and PowerPoint to track and communicate campaign performance.
- Coordinated campaign timelines, files, and content across teams.

Client Services Administrator — Apr 2025 – Jun 2025
SS&C Technologies, UK

- Handled client requests and maintained accurate records in an international office environment.
- Coordinated with cross-functional teams to resolve issues and keep stakeholders updated.

Projects

Tesla Model G – Innovation Concept — *Market Research, PSB Paris*
Led research comparing electric vehicle markets in six countries; used findings to develop a vehicle concept and present it to the class.

VeriShield – Business Simulation — *Business Strategy, PSB Paris*
Helped develop a startup concept and business model, then presented a pitch during an innovation challenge.

PlayStation Sales Dashboard — *Portfolio Project*
Analysed sales data for more than 4,400 games and built a dashboard highlighting key trends.
